Friday 8th September 2017

Dear Mums, Dads and Carers,

Welcome back!

We would like to welcome all the new children and families that have joined Reception and classes through the two schools. We hope that the first few days at Angel Road have gone well. If there are any problems or questions, please do speak to your child's class teacher or to one of the office staff.

A new school year is also an important time for all those children moving through the school into new year groups and classes. Again, we encourage you to speak to us, if you are unsure or concerned about anything.

Teachers try to be available at the entrances to the buildings at the beginning or end of the day for any quick questions. If you want a longer conversation, it is best to make an appointment, so that enough time can be set aside. Members of the leadership team are also happy to see mums, dads or carers to listen to any concerns they may have.

If you need to come into school, please sign in at the office, as we need to know which adults are in school in order to keep the children safe.

BUILDING WORK AT THE JUNIOR SCHOOL

The Junior School has been an extremely busy place over the summer. The work in the Year 3 classrooms will continue throughout this term, and so Mr Hodgson's class will be based next to the main hall and Mr Dowgill's class are in the library, also off the main hall. All Year 3 classes will come into and leave the school via the Year 3 entrance which is next to the fenced off area.

The Year 5 classes have been reconfigured, so that Miss Bowen, Mr Newnes, and Mr Thompson are all upstairs. Mrs Wilson's class is off the corridor leading to the Music Room. All Year 5 classes will use the entrance behind the hall, off the playground, at the beginning and end of the day.

Our thanks go to Mrs Sykes, Mr Ramm and Mr Woods for all their hard work, co-ordinating and supporting these projects over the summer.

PARKING - both schools

A number of our neighbours have been in touch over the summer asking for our help. During term time, they regularly experience being blocked in or out of their properties. If you have to drive to school, please park considerately. The 'Angel Gardens' car park is for customers only, but there is some space in Waterloo Park.

Above all, we need to think about the safety of the children. The best option is to walk to school, but if this is not possible, please allow time to park a little away from the school and walk to and from your car.

Thank you!

Chris Read
