

Angel Road Junior Newsletter

Building Work

You will have noticed that the fencing around the building work has been removed at the Junior School. The work is nearing completion, which is good news both for the day-to-day running of school, but also our pending conversion to an Academy. We remain on track for becoming part of the Diversa Multi-Academy Trust on 1st April 2018.

Sugar Appeal

We will be collecting sugar again this year on behalf of 'Sugar For Shelters' charity. This provides much help for the needy and vulnerable during the winter. Please drop your bags of sugar to the school office.

Year 3 Castle Trip

Year 3 had a fantastic day at the castle yesterday. We learnt all about mummification, looked at some real life Ancient Egyptian artefacts and imagined we were Egyptian farmers. We also made some fancy Egyptian collars, which we will share at our next sharing assembly. Pictures and videos from the day can be found on our website.

Yr3 & Y4 Flu Immunisation

It has been brought to our attention that the Flu Immunisation, which is administered in a nasal spray, contain **gelatine**.

If you are concerned about this, the advice from the NHS is to contact your GP

Year 3 request for shoeboxes.

17th November 2017

As part of our multicultural day activities next week, the children will be making market stalls from different countries around the world. Startrite have kindly donated a number of shoeboxes for us to use, but we need a few more to enable the children to work in small groups. If you have any unwanted shoe boxes or similar style boxes at home that you would be happy to donate to Year 3, then please send them in with your child on Monday. Many thanks for your help and support on this.

Winter Fayre - Friday 15th Dec 3:15-5:00pm

With the Winter Fayre approaching the Friends Committee are keen to hear from anyone who is able to help out. friendsofangelroad@gmail.com. We also need the children's help to design posters advertising the fayre. The winning designs will receive a VIP pass ticket entitling them to a free go on the games and refreshments at the fair. Entries should be handed in to either school office by Monday 20th November.

Department for Education monitoring visit

Both schools were visited by a Department for Education Adviser last Thursday. As the process of becoming an Academy has been drawn out by both the building work at the Junior School and the land registry at the Infant School, the Department for Education has been monitoring our school improvement progress. Although the visit was brief, the Adviser was impressed with the teaching and learning that she observed and feels that both schools are continuing to improve. It is always useful to have an external view of our work and the positive feedback allows us to move forward with confidence.

Dates for your Diary

Tues 21st Nov - Multicultural Day
Fri 24th Nov - Multicultural Bring & Share (details below)
Flu Immunisations Y3 & Y4

Multicultural Bring & Share.

Following on from the huge success of last year's event we will be holding our second Bring and Share event after school on Friday 24th November. We would love you to bring in an international dish of food that represents either your family or something that you all just enjoy eating together. Please could you drop your dishes to the office by 3pm, labelled with the country that it represents and if it contains meat or dairy. Please remember we are a NUT FREE school.

We look forward to seeing you all there.
