19 January 2018

Dear Mums, Dads and Carers,

I am excited to announce that due to popular demand, the next team point challenge in school will involve the introduction of Angel Road's first ever Fantasy Football league!

Children will be given the opportunity to become a Premier League manager by building their own team, making weekly selections and transfers, and experiencing all the ups and downs that go with this! The game works by players receiving points each match day based on their performance. These points are then accumulated with the other players in a squad to give a total score for the week.

The challenge will run throughout the academic year, with a trophy for the overall winner at the end of the season. The competition will begin on Saturday 3rd February to allow the current transfer window to close. All entries must therefore be made before this date. Mathematical challenges relating to weekly scores and results will also be found within the school newsletter each Friday.

In order to participate in the league, a valid email address will be required. We recommend you make both the email and password your own, so that you can monitor your child's activity. There is no cost for participation.

How to sign up:

- Enter the website <https://fantasy.premierleague.com> and click on sign up now.
- Enter any required details to create your account.
- Build a squad made of 2 goalkeepers, 5 defenders, 5 midfielders and 3 attackers. Then click on enter squad.
- Go onto the leagues tab and click on join an existing league using the code 5693394-1255375

Good Luck!

Yours faithfully,

Mr Newnes

FANTASY FOOTBALL LEAGUE
