Easter Raffle

The Friends Easter Raffle draw is on Thursday 22nd March! To enter please return your ticket stubs (which have been sent out in the book bags) and the correct money by Monday 19th March. 1 prize per child.

This event relies on your generous donations! Please bring your Easter themed donations (Easter eggs, chocolate and sweets, crafts, decorations, accessories etc) to the school offices by Wednesday 21st March.

Good Luck!

Please Remember Angel Road Schools are Nut Free

Sports Relief

Friday 23rd March is Sports relief. The children are welcome to come into school dressed as their favourite sports person. We are asking for a £1 voluntary donation.

Safety around the school

Some of you may be aware that a child from the school was knocked off their bike on the way to school yesterday.

An incident such as this obviously heightens our concerns about safety around the school. Although the accident was not caused by poorly parked cars we all know that the way a minority of parents park and drive heightens the risk of accidents. Please keep away from the school entrances and do not park where there are double yellow lines.

We have also had reports of a male adult talking to the children in the area around the school. We heard about these incidents via facebook rumours and would ask parents to raise any concerns directly with us so we can act promptly. Once we knew of the situation we immediately contacted the police who have responded by adding patrols around the schools.

This situation acts as a useful reminder to the families whose children arrive too early for school. The gates do not open until 8:40 am when staff are on duty. Children who arrive before this time are spending time on a crowded pavement unsupervised.

We have also had complaints from local residents re parents using private car parks and drive ways. Please park considerately.

World Book Day

As the school was closed due to the weather conditions on World book day, we have decided to re-arrange it for **Wednesday 28th March**.

We would love to see lots of children dressed as book characters, but if your child doesn't want to then they should come to school in normal school uniform.

Year 5 Football Report

Last week the Year 5 Football team played against Falcon in the Under 10's Spring League. After a slow start the boys responded in fantastic fashion and bombarded the opposition goal throughout the second half. Unfortunately, we gave ourselves too much to do and ultimately lost the game 3 -1. Despite this all those involved should be proud of their effort and we look forward to the next game. Man of the match was awarded to the entire team.

Fantasy Football Maths Challenge

Research the mathematical terms mode, median and range. Can you find each of these for the scores people achieved in February?
