Caring for our environment

Year 4 have been caring for the environment this term.

Rumyana, Athena, Estelle and

Lilly-Mae, along with several other volunteers have been spending part of their day picking litter from the playground, hoping to make the world we all share a nicer place to live in.

They have been astonished at just how much rubbish they have found and so began researching the problem. This week they presented their findings in assembly and showed some photos of the problems that litter causes to the environment and animals.

They spoke about taking responsibility for the rubbish that humans drop and, inspired from the 'Take 3 for the Sea' campaign that they found, have a challenge for you: -

Can you pick up 3 pieces of litter every day?

Summer Fayre

Thank you to everyone who supported the Summer Fayre last week. A very busy afternoon and the good weather made for a tremendously successful event. A special thank you goes to the Friends Committee, who have been working hard organising this event for several months. We will let you know of the final total raised soon, but the event has helped the Friends to fund the playground equipment that has been installed in both schools during the year.

Science Fair

What a brilliant week for science. On Tuesday, the children brought in a huge variety of interesting and unique science experiments to share with the rest of the school. The children that took part were incredibly enthusiastic about their experiments and could talk in great length about the science behind it. We would like to thank all parents and carers that helped their children create their experiments, as well as those parents that came and walked around the hall during the afternoon itself. We have raised a fantastic amount of money, and results of the overall winners will be announced soon. **Well done scientists!**

Lords Mayor's Procession - Saturday 7th July

All are welcome to join our entry, but must be dressed in a circus-related costume and all children walking must be accompanied by an adult (also in costume).

For more information and a permission letter to take part, please see the school office.

Community News
