Year 6 Updates

Reading Café

We would like to invite you to **our Reading Café on Tuesday 16th October 9:00am-10:00am**. It's a great opportunity to come in to school and see what your child gets up to. Tea, coffee and biscuits will be served!

High School application closing date

Please note that the application closing date for high school transfer is **Wednesday 31st October**. You should have already received your transfer forms, which were given out a couple of weeks ago. Please let us know if you would like any help completing the form or if you just want a chat about the options available. We are more than happy to do this.

Crucial Crew

We had a brilliant time at Crucial Crew. We hope the children found the sessions useful and informative and that they came back knowing much more about keeping safe!

Height and Weight

The children were measured and weighed yesterday as part of the NHS data collection. You should receive your child's height and weight measurements by post in the next couple of weeks. If your child was away, the team will be returning fairly soon to catch up on any missed children.

Behaviour

We have been so pleased with the children's behaviour and attitudes so far this year. Home learning records have been impressive and the children are working very hard! Thank you to all mums, dads and carers who offer support with this. Your work is much appreciated!

As always, do get in touch if you have any concerns or if you would just like to speak to us.
