All About the Friends

We are a registered charity that fundraises for the Federation of Angel Road Schools, run entirely by volunteers. The Friends is open to all school staff, parents, carers and families of Angel Road school children, and anyone interested from the local community, so anyone can join! We fundraise by holding lovely events throughout the school year; we try to have a good range of events to appeal to the children and families, and keep them as affordable as possible for everyone.

To support the Friends you can attend our regular meetings to find out what we're up to, have your say and give ideas. You can make donations for events and we always need volunteers to run them too. And you can follow our Facebook page and join our mailing list for updates! We rely on your kind support to continue holding the events as well as to raise funds.

School Group Bid

This year the Friends would like to donate the funds we raise to where it's really needed by the students and teachers to improve the education and school experience of the children at Angel Road Schools. We also want to involve the children and teachers more in what we do and build our sense of community. So we have launched an exciting new opportunity - the 'School Group Bid'!

The Bid is simple – each year group in the Infant and Junior Schools, and select groups (i.e. School Governors/After School Club/School Council) enter a bid outlining what they would spend a donation of up to £500 on. The bids will be made anonymous by Mr Read and a winner for each school selected by the Friends committee and meeting attendants, at a meeting on 31st October that all are welcome to attend and vote at.

We are very excited about this new way of donating and hope to make a real difference!

If you have any suggestions for what you would like to see us fundraise for, please write here and drop the slip at your School Office. _____
