Dear Mums, Dads and Carers,

I am excited to announce that due to the success of last year's competition, the team point challenge for spring will involve the return of Angel Road's annual Fantasy Football league.

Children will be given the opportunity to become a Premier League manager by building their own team, making weekly selections and transfers, and experiencing all the ups and downs that go with this! The game works by players receiving points each match day based on their performance. These points are then accumulated with the other players in their squad to give a total score for the week.

The challenge will run throughout the academic year, with school houses getting points for each child to enter. There will also be individual prizes donated by Norwich City Football Club given to the winners! The competition will begin on Saturday 2<sup>nd</sup> February to allow the current transfer window to close. All entries should therefore be made before this date. You will be able to enter after this deadline; however you will have already missed game weeks.

In order to participate in the league, a valid email address will be required. We recommend you make both the email and password your own so that you can monitor your child's activity. Anybody who entered the competition last year will be able to re-use their previous log in. There is no cost for participation.
