Dear Mums, Dads & Carers,

Anglia Square: A Love Story

A local theatre company, The Common Lot have been researching the history and community of Anglia Square and the surrounding area, from the Saxon Age to the present, including the original settlement of Norwich (Norwick) North of the River, the development of the Brutalist structure of the present Anglia Square in the 1960's and the present day development plans.

Our Year 3s are also taking part in the research, including history walks, BBC Interview workshops, oral history interviews and a potential visit to the Museum of Norwich at Bridewell. This will lead to creative responses following photography and print making workshops. The results will then be shared with parents at a school exhibition, details will follow at a later date.

The children in Year 3 will then follow up the exhibition with drama, songwriting and singing workshops in the summer, and will be given the opportunity to take part in The Common Lot's free summer show that will be performed over 9 shows in July on 3 stages in the Anglia Square and North city area.

The Common Lot are keen to share their plans with parents and invite you to the Launch Event which will be held at The Octagon Chapel on the 17th March from 7:00-9:00, where they will be recruiting community members to take part in the show as performers, singers or crew.

This is an opportunity for the children to get involved in the local community and learn about some of the history of our area.

More information on the project will be shared in due course.

Kind Regards,

The Year 3 Team.
