Dear Parents and Carers

## School Uniform

Further to the information which you would have received in the School Newsletter on 24<sup>th</sup> January, I can now give you the details on the new way to purchase school uniform.

Uniform will be sold in school up until Friday 14<sup>th</sup> February; after this date it will be sold online.

The uniform website, Orchard Clothing, can be accessed through the school's own website, <http://www.angelroadjnr.co.uk/>

On the home page you will see a tab titled 'Parents'. If you click on this you will see the 'Uniform' tab and on to the school's uniform policy; this will help you to see what the uniform expectations are for your child. There will also be a link to the uniform website, which will take you to the school's own specific page.

All the school uniform items will be displayed and the process is very simple to follow when you are ready to purchase. The only items which need to be purchased from the uniform website are the sweatshirts and cardigans, all other items can be purchased from a supplier of your choice if you prefer.

You will have the option to have your purchase delivered to your home address or to school. Delivery to home is within a few days; delivery to school is once a month. Orders will need to be made on the website by the 7<sup>th</sup> of each month for delivery to school two weeks later. The calendar with the actual dates can be found on the school website.

If you don't have any access to the internet the uniform can be ordered in school through the use of one of our computers. Please make an appointment to do this through the school office.

If for some reason you don't have a debit card or credit card, please make arrangements with family or friends to order online. If this isn't possible, school can purchase the items for you but you will need to pay cash at the time of ordering and only if no other option is available to you. An appointment will need to be made with the school office to do this and also if you use vouchers to purchase uniform.

Please see over for FAQ's.
